

# PARC Swim Newsletter

TERM 4, 2023

## Info for Teachers:

PARC Swim Schools is very proud to announce we have partnered with Life Saving Victoria and their Open Water Learning Experience program to deliver beach water safety days and classroom incursions. A beach day could be an addition to your intensive program or a stand-alone day at the beach. Our classroom incursions are a great precursor to an intensive program or even a fantastic and affordable way to teach your whole school some water safety skills.

For a full list of our 2024 programs and prices please [click here](#).

## Info to share with Parents:

With Spring already sprung, Summer is just around the corner. Now is the perfect time to remember to be sun smart.

- SLIP - on a shirt
- SLOP - on some sunscreen
- SLAP - on a hat
- SEEK - some shade
- SLIDE - on some sunglasses

Show your kids this video for a fun way to educate them on why being sun smart is so important

## Classroom activity idea:

### Understanding water safety signs

As we lead into summer, it is the perfect time to remind all students about the importance of water safety signs - at the pool and at the beach.
